

# Hispanic Heritage Month Resources

September 15 thru October 15 is Hispanic Heritage Month. We'd like to share some resources so that our community can learn together from Hispanic leaders. We desire to glean from the wisdom of Hispanic leaders and discover how we might amplify their voices, honor their diverse cultures, and stand together against systems that don't uphold their dignity as image bearers. We hope that you will look through the list and choose at least one or two ways to engage with Hispanic heritage and leadership this month and beyond.
