

Asian American/Pacific Islander Heritage Month Resources

May is Asian American/Pacific Islander (AAPI) Heritage Month. We'd like to share some resources so that our community can learn together from AAPI leaders. We desire to glean from the wisdom of AAPI leaders and discover how we might amplify their voices, honor their diverse cultures, and stand together against systems that don't uphold their dignity as image bearers. We hope that you will look through the list and choose at least one or two ways to engage with AAPI heritage and leadership this month and beyond.
